What You Heard *In the Word*

- The Trinity is one God in three Persons—God the Father, God the Son, and God the Holy Spirit.
- All were present at creation and at Jesus' baptism.

OutWord *For Family Discussion*

Suppose someone asked you, "Well, I believe God created everything, but Jesus wasn't even born yet. How could he be there?" **How will you answer?**

Jesus is eternal just like God the Father. The Bible says that he was in the beginning and that he is God. He always was; it's just that he became a man when he was born.

Justin & Jessie

"I don't understand it either," said Justin. "But I believe it! 'Cause that's what the Bible says!"

Justin and Jessie count lots of things that come in threes: three trees, three red cars, three dogs on leashes. But WHO could be three in one? Find out in "Triceratops & Tricycles."
