## AWANA Game Time Rules

**PARENTS:** Please discuss these rules with your child(ren) so that each clubber will enjoy a safe Awana Game Time. All parents are invited to observe Game Time, but are asked to refrain from distracting the Game Time activities. Thank you!

**Rules:** 1. Wear socks and sturdy shoes (no open toe shoes) as well as pants or skirts that cover the knees to prevent injury.

2. When arriving to the game floor from class go directly to your assigned color line.

3. Do not play with game pieces except during a game that you are in. (If you follow rule #2, you will be following rule#3!)

4. Allow leaders to choose who plays each game. Jumping up and down, raising your hand, grunting, etc., only delays the time we have to play. It also confuses the leader!

5. Leaders are expected to participate and encourage all Clubbers to follow the rules.

6. All Clubbers will be silent before the end of a 5-count.

7. Have fun! And always show good sportsmanship!!
